WOODSIDE'S OUTDOOR ADVENTURE CAMP

At Woodside School we offer a summer camp opportunity of a lifetime for young children. Our camp program offers a variety of activities that are enjoyable and entertaining for children entering first grade through fourth grade. We incorporate a wide array of fun-filled camp activities so your child will enjoy themselves. Our goal is to have happy campers! Activities are based on the interest of the campers. The staff takes time to get to know each camper and what their interests are, and then plans activities accordingly.

What sets us above from other camps is our fantastic staff-you can be assured that your child is in safe hands. Our highly qualified staff spend months creating the framework of the summer camp, making sure that field trips and activities will interest the children. Upon meeting the campers, the staff fine tunes activities to meet the needs and interests of the individual children attending each day. Having staff that implement a child focused, and interest driven daily experience is what sets us apart from other camps.

BENEFITS OF OUR SUMMER CAMP

- Children will spend the summer engaged in the outdoors
- Children will become more resilient-they will be able to try new things and broaden their own horizons in a safe, nurturing environment
- Children will be able to connect with old friends and make new friendships that may last a lifetime

WHY SEND YOUR CHILD TO WOODSIDE?

Summer camp is a great way for children to connect with each other, to nature, and spend their down time in a productive manner. The days are packed with activities that will prevent boredom over the long break from school. If you want your child to have a great summer vacation that will not only captivate and challenge them, but also bring them joy, enroll them now for an exciting summer at Woodside Outdoor Adventure Camp!

SUMMER CAMP ACTIVITIES

- **NEW THEME EVERY WEEK**
The start of each week will be the start of a new theme as well.
- **SPORTS AND GAMES**
We incorporate engaging group sports that will physically challenge your child in activities such as soccer, kick ball, and group games. These activities will assist in the development of your child's motor skills and fitness.
- **CAMP FIELD TRIPS**
There are many exciting field trips planned for your child as part of our camp schedule, including trips to state parks, community pools, Boutwells's bowling alley, and hikes around the SPS campus (additional fees may apply).
- **WATER-BASED PLAY**
Qualified and responsible staff will offer the children daily opportunities for water-based games and activities to cool down in the summer heat.
- **EDUCATIONAL ACTIVITIES**
Education never ceases to be important at these young and critical ages for learning. Children will engage in fun educational games and activities that include learning about science and nature.
- **GENERAL FUN**
Even more fun activities await your children at our camp. These include music and movement and arts and crafts. These activities introduce campers to many different areas of interest and pastimes that will encourage them to pursue their own interest, long after camp has finished.
